**resolved** no objection

**P01523/16** 5 New Rd Detached house with parking

**resolved** to recommend refusal. The material considerations are that the application would represent overdevelopment of the site and 'garden grabbing', it would remove parking for No. 5 and add to congested parking in the area that already leads to parking on the pavement and double yellow lines. If the application were to be granted, a condition needs to be that the driveway leading to Lake Green Rd should be relaid in semi-permeable material to prevent run off from the new dwelling reaching the road.
