P00194/17 Spithead Business Park Final landscaping proposals
The Council considered the response from IW Council Planning to our latest submission. The important point that the list does not cover is the trimming back of the bank to its original height, i.e. reducing what has been dumped there by about 2.5m. The client should be pressed to do this. Clerk to write.

Cllr Stevens said the mugs should be made specific to each school.
