**County Councillors**

Cllr Brading had submitted a written report, which was circulated. He answered questions from Cllr Blezzard concerning Sandown Football Club and IW Council senior management structure.

### **Councillors**

Cllr Stephens had received a listing for a census of litter/dog bins in Lake. He noted that the missing bench outside Lake Stores had been replaced. He said the removal of hedgerow between Morrison's car park and the roundabout was creating a hazardous situation at night due to moving lights. It was though the store would grow a new hedge at this location.

Cllr Blezzard said an issue had developed due to lack of grass cutting on land opposite the Bay Academy. It was thought Cllr Outlaw was dealing. He also circulated reports from IWALC, the Island Roads Asset Management meeting and spoke about the Dark Skies initiative for the south-east of the island. He thought the parish council should argue for a parish representative to be included on the new Transport for the South-East organisation.

Cllr Whittaker asked if a definitive map of the parish boundary could be available at the next meeting. He explained how he and Cllr Brading were monitoring the situation on the land behind KFC/Premier Inn, where so-called clean building material had been dumped.

Cllr Goodall said the dog bin lids in the Fairway and at the station had been replaced.

Cllr Hardy said she had received a call about lack of toilet roll at Lake Cliff toilet. The Clerk had received the same call and dealt with the matter.

Cllr Horton said the Clerk had sent a letter to the County Press in response to several printed about the land behind KFC, but it had not been published. It would now be put in Ripples. She gave a report on Lake Community Garden, and a proposed Tranquility Garden at the Church of the Good Shepherd. She was arranging a wreath to mark the 75<sup>th</sup> anniversary of D-day on 6 June. She would attend Colin Pidgeon's funeral. Designs for a repainted mural at Lake station subway had been submitted by Lake Rangers and one was selected. It was hoped that work would start shortly.

**From the floor** A member of the public made observations concerning lighting at Morrisons, the proposed Honnor & Jeffrey bus stop, the potential for a surveyor to assist with plans for the Revetment toilets and the Blues and Jazz Festival in the Bay (12-16 September).

There being no further business the meeting was closed at 20.45
